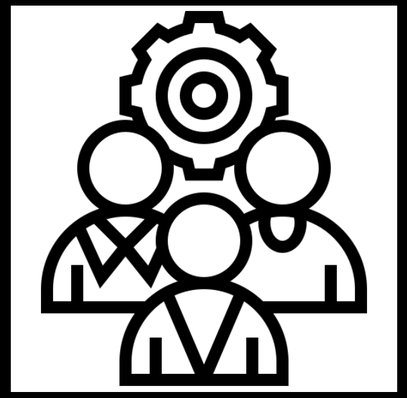
Sprint Review

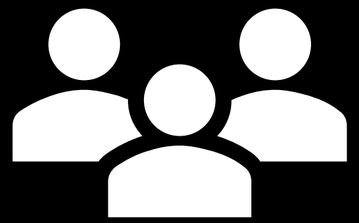
Participants

Product Owner

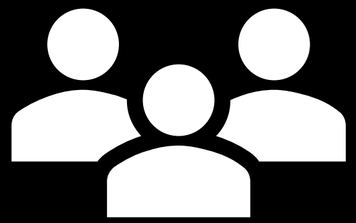
Developers



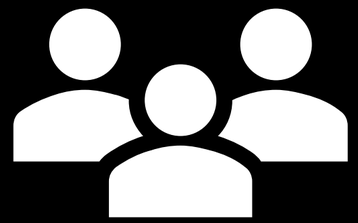
Scrum Master



External Stakeholders



Internal Stakeholders



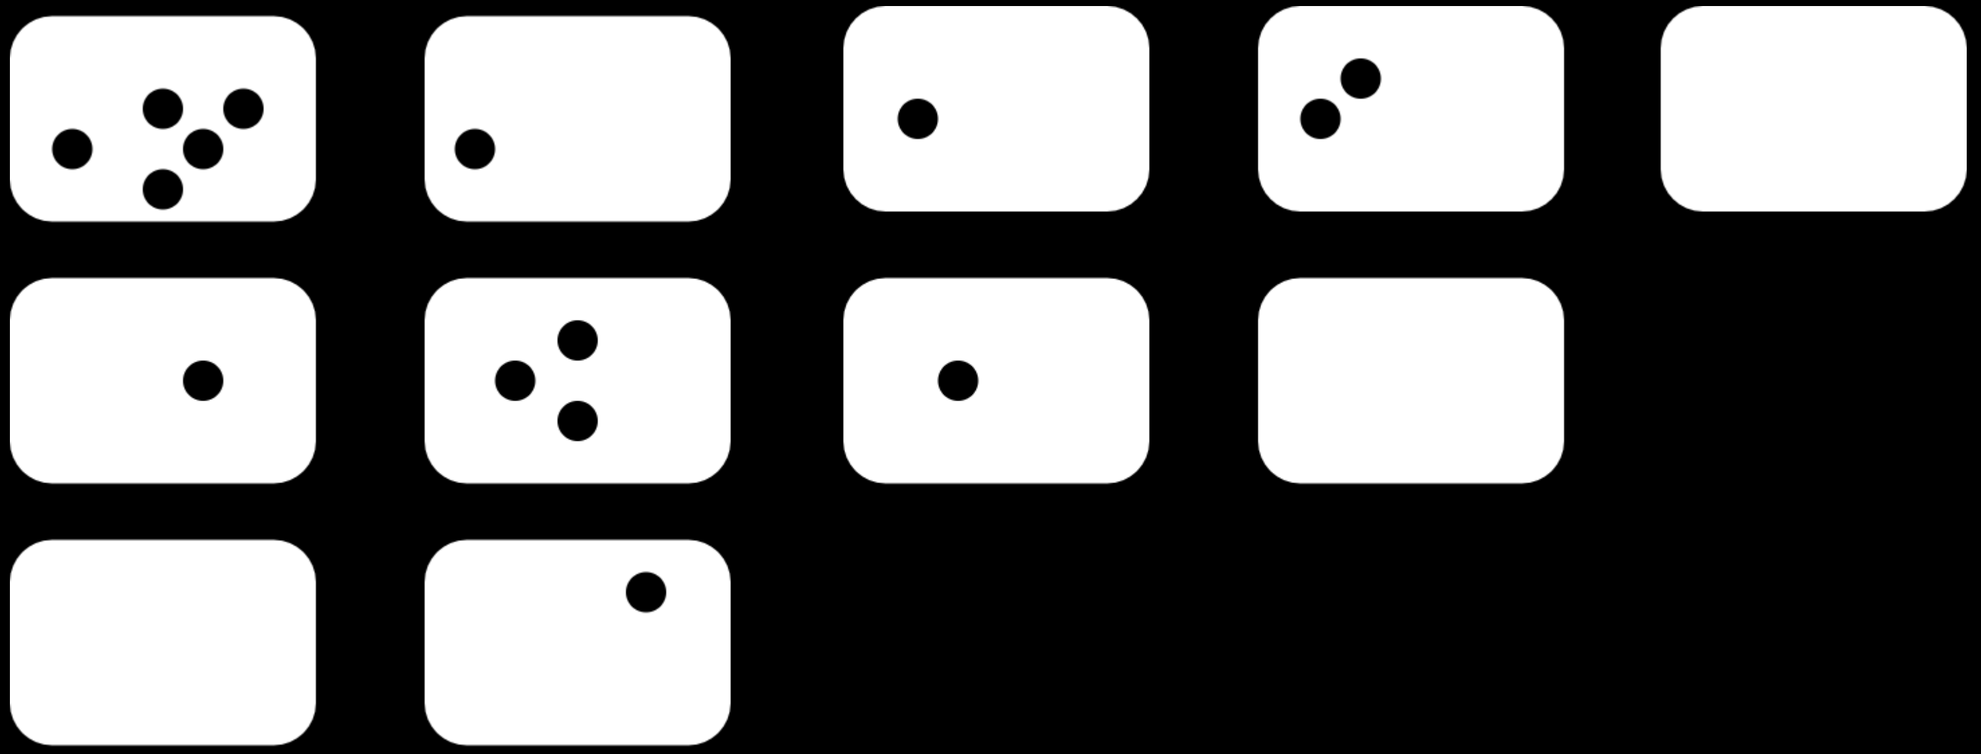
Others

- Do the stakeholders like what they see?
- Do they want to see changes?
- Is what we’re building still a good idea in the marketplace or to our internal customers?
- Are we missing an important feature?
- Are we overdeveloping/investing in a feature where we don’t have to?

Sprint Retrospective

- What worked well this sprint that we want to continue doing?
- What didn’t work well this sprint that we should stop doing?
- What should we start doing or improve?

Dot Voting



Fist of Five

1. I disagree and would like to continue the discussion!
2. I’m unsure and would appreciate further discussion.
3. I don’t have a strong opinion either way, let’s proceed.
4. I agree with that.
5. Absolutely! I am extremely excited!
