

# System Analysis & Design

CE418: Systems Analysis and Design

Maryam Ramezani

Sharif University of Technology

maryam.ramezani@sharif.edu

# Welcome!

- <https://sut-ce-courses.github.io/sad>
- [https://quera.org/course/add to course/course/23987/](https://quera.org/course/add-to-course/course/23987/)
- (Password: SAD140401)
- <https://vc.sharif.edu/ch/maryam.ramezani>

# Grading

- Final grade (20 Points) will be composed of:
  - Midterm Exam: 2 points (Scrum!) [1404/09/23]
  - Final Exam: 6 points [1404/11/07]
  - Project (consisted of 3 iterations): 12 points [1404/11/27]

# Course overview

- ❑ Lecture slide will be uploaded.
- Many times, we will write on board, in real-time, during lecture to prove a theory or answer a question or add some additional explanations. It will be your responsibility to take notes.
- Slides links will be provided on site.

# Deadlines

## ■ Project Timeline

- Release of Project Deceleration Phase: 01/09/1404
- Deadline of Project Deceleration Phase: 19/09/1404
- Sprint 1 Deadline: 03/10/1404
- Sprint 2 Deadline: 17/10/1404
- Sprint 3 Deadline: 27/11/1404

Note: Sprint 3 has floating time due to exams — start and finish dates (2-week interval) must be announced by 17/10/1404.

Any Question?
